4 Bedroom, 3 bath luxury home with a pool and access to resort amenities

We are not a large management company like most vacation rentals in this area. When working with us you are partnering with a family who loves this home and cares about it and about the people who stay there. Your vacation and family matter to us. Champions Gate is nestled on the southwestern side of the I-4 exit of Walt Disney World Resort. Champions Gate covers a massive area of 1,500 acres, which has beautifully-designed double gates and stately rows of tall palm trees on the sides. This is used as our family and friend's retreat so there are a lot of touches of home. Located at 9079 Dogleg Drive, Davenport, FL - 33896; we are only about 10 miles from Disney World.

The modern living room accommodates numerous guests and will leave you feeling relaxed with its calming features and comfy couch. The clean, fully stocked sleek kitchen provides the ideal vacation hub spot for the family, with all new appliances and enough space for everyone. Each bedroom is spacious and designed with the vacationer in mind, providing you and your family with the getaway you need to unwind after an adventurous day in sunny Orlando, FL. This home has a master King suite and two Twin bedrooms upstairs, one Queen suite on the main floor. All the bedrooms have an en-suite bath.
