## Über dieses Objekt

Villa Ulysses is set in a lovely, totally enclosed, mature garden in a fantastic location just a short walk from the glorious Foki beach and taverna. Fiskardo itself is just 1.5 kilometres away so within walking distance for those who are reasonably fit. With superb coastal views and backed by wooded hillsides Ulysses is a real gem of a house in this very sought after location.

Off street parking leads to a flight of steps up to the pool area and then to the villa itself, with the main living areas on the raised ground floor to benefit from the views. Traditional in style the villa is comfortable and cosy with a mixture of contemporary and antique furnishings reminiscent of the French country style. Bedrooms are set out over two levels with a good choice of terraces and balconies from which to enjoy the views. The pool is set into a secluded terrace surrounded by flower beds and shrubs, overlooking the coast and a covered barbecue area is situated to the rear of the house with access via a few steps to the kitchen.

This is an ideal base for a relaxing stay in this particularly part of Kefalonia with all the facilities of cosmopolitan Fiskardo so close to hand.
