Über dieses Objekt

High on the hillside above Lourdas Beach stands the brand new modern Villa Briseis, with spectacular views down the hillside and out to sea, taking in a panorama of the entire Bay of Lourdata.

This super new two-floored villa is perfect for four or five, with two bedrooms and two modern shower rooms on the upper floor. The spacious living area and small kitchen on the ground floor lead directly out to a generous terrace with the same panoramic views and accompanying pool terrace. Attractive, modern styling with chrome and neutral colours give this holiday villa a fresh, clean and ultra- modern feel.

Villa Briseis is totally independent, with its own driveway and garden, but conveniently next door to sister villa Nektaria which means that the two together would be a great solution for two families travelling together but wanting their own privacy.

Due to the steep hillside we recommend a car, but the village centre

with shops, cafes and restaurants is just 500 metres away.

Please note that the kitchen is compact and there are only two electric rings (but a full sized oven).
